

SCHOOL OF CONTINUING EDUCATION

PROVIDENCE COLLEGE

Students who have not earned their bachelor's degree may enroll in SCE's [Liberal Studies](#) program and earn secondary teaching certification while completing their undergraduate degree.

If you wish to apply to the Liberal Studies degree program and the TCP at the same time, you must:

- Have completed 30 undergraduate credits at a regionally accredited college or university;
- Submit official results for the ACT (minimum scores = 24 Reading, 20 Math). Check [here](#) for other acceptable test scores;
- Follow all other TCP [application instructions](#).

Students who concurrently enroll in the Liberal Studies program must complete all content courses required for certification before enrolling in TCP classes, with the exception of EDU 201 - Educational Psychology and EDU 207 - Principles of Secondary Education.
