COLLEGE

## SCE Over-Enrollment Request

Please understand that registration for day school students in SCE courses, particularly those that meet core requirements, is limited. As a day school student, you should continue to aggressively pursue registration in day school courses as your primary option. Also, be reminded that as a day school student, you are allowed to take only 1 SCE course as part of your normal course-load for the semester.

Date:

Major:

Name:

Banner ID:

Cell:

Email:

Class Year:

Graduation Date:

Course in which you are requesting to be overenrolled:			
Dept	Course Number	CRN	Title

If you are currently registered in 5 courses, please list the course that you will be dropping in favor of the SCE over-enrolled course.			
Dept	Course Number	CRN	Title

<b>How does this course apply to your program of study? (i.e. major, minor, core, and/or elective requirement).</b>
---

<b>If this course is offered in the day school, please explain why you need to take this course in SCE? Please be very specific in your explanation by identifying scheduling conflicts or other circumstances that would support your request for over-enrollment in an SCE course.</b>
