Generally forty-two (42) free elective credits are permitted in the B.A. Professional Studies program, depending on the certificate selected.

- NOTES:**
1. CCRI students who complete the General Studies associate’s degree with at least 61 credits and a minimum GPA of 2.0 will be guaranteed admission into the Providence College SCE degree programs listed above. Students must earn a grade of “C” or better to earn transfer credit for a course.
 2. Providence College will waive the \$55 application fee for students who meet the above requirements.
 3. Students must fulfill the Providence College SCE’s core curriculum requirements; complete the residency requirement of a minimum of 45 credits in Providence College SCE; and earn at least 50% of their major credits with Providence College SCE coursework.
 4. Most students transferring in with the Associate’s in General Studies will need approximately 60 credits to complete the bachelor’s degree.
